O'DONNELL UPDATE

The April Board meeting approved an exclusive 90-day period for the Milwaukee Art Museum to explore the feasibility of purchasing O'Donnell Park from the County to include as part of the Art Museum assets. The Milwaukee Art Museum is a non-profit organization with its own Board that has a primary mission of running the art museum and safeguarding the collection. The actual land and some of the buildings are all county-owned assets. However, the art museum raises most of their money through membership, fees and most importantly donations. I know many of our citizens living in the South Shore are members of the art museum and also donate generously.

Dan Keegan is currently the director of the museum. Anyone who knows Dan understands that he is not only a very effective manager of our museum, but he is also an artist in his own right. He is creative and a man of vision. Milwaukee County will be very fortunate if the Art Museum board finds a way to make the purchase of O'Donnell from the county a reality. The Milwaukee Art Museum could one day make the under-used plaza of O'Donnell Park a world-class sculpture garden and who knows what visions might be possible for the Miller Pavilion in the hands of the art institute.

I will have an interesting role to play since I also sit on the art museum's board of directors. The County Board has two supervisors who sit on this Board, myself and Sup. Martin Weddle. While there is much due diligence that still needs to take place, such as engineering studies and review of revenue receipts from the garage among others, the museum will have 90 days to complete their studies. It is my hope that the museum finds a way to make this a reality. Ultimately the purchase will be in the public interest since, like the museum, the O'Donnell plaza including the significant view shed of Lake Michigan will remain in the public domain hopefully in perpetuity.

HOAN BRIDGE UPDATE

The Hoan Bridge will be open to traffic and the re-decking officially complete in December of this year. The lighting will be complete in early summer 2016 and the Lakefront Gateway project (which impacts the exit and entrance ramps of the Hoan Bridge with Lincoln Memorial Drive) will be completed in December of 2016. We haven't worked out the details of ribbon cuttings/celebrations for those events yet, but we will keep you informed so you can be involved in planning those events.

The Hoan Bridge is one of nine bridges that the WisDOT manual classifies as a 'Significant Bridge'. Here is the link to the language in the bridge manual:

http://on.dot.wi.gov/dtid_bos/extranet/structures/LRFD/BridgeManual/Ch-04.pdf

The picture provided is what the proposed lighting will look like. Note that the blue is for demonstration purposes only – the system has a wide variety of color options available. Construction of the lighting system is expected to be completed by summer 2016.

PUBLIC INFORMATION MEETING #2 - APRIL 10, 2013

GUN CLUB UPDATE

The Cudahy Gun Club has requested that the Parks Dept. consider its proposal to move the club to a site farther south in Warnimont Park. This site is generally across from Ramsey Avenue in Cudahy and just north of Ramsey and to the west of the Oak Leaf Trail. It is expected that in May or June of this year, the proposal will be reviewed by the staff of our Parks Dept. under Director John Dargle, and a report will be issued to the Parks Committee.

As more details of the new site request are unveiled, I will update constituents. Please understand that no formal approvals have been given to the gun club at this time and these are strictly proposals being made by the members of the club. The Gun Club was previously given an extension of just one year on their current lease because of DNR action directed to our Parks Dept. to cease and desist from using lead shot over the waters of Lake Michigan. They are also under orders to clean up the plastic waddings and other wastes caused by the club in its lease and use of the property.

SAVE THE DATE

Pedal in the Park and our Welcome to Summer in Cudahy concert will be held on June 18 in Sheridan Park. The ride starts at 6:00 p.m. and the concert at 6:30 p.m. More information will be provided as we get closer to June, but please save this date. This has become the South Shore tradition of kicking off our summer season. What better way to enjoy the warm weather and all our great amenities than to attend your first summer concert in the park in conjunction with a family-friendly bike ride. **A great time for some outdoor family fun!**

BOARD APPROVES FERCH'S BEACHSIDE LLC FOR THE GRANT PARK BEACH HOUSE

Burgers, custard and beach volleyball

Ferch's Beachside, who also own Ferch's Malt Shoppe & Grille in historic downtown Greendale, will be opening early this summer offering burgers, custard, beer and more. Ferch's owners also are doing extensive remodeling to the space, which hasn't been used in more than five years.

Just feet away from the concession space, volleyball courts are already going up. Through a partnership of the Milwaukee County Parks and Cities and Sports (a premier sport and social club in Chicago), leagues and tournaments will be played on the Lake Michigan beach. "Cities and Sports is excited to expand beach volleyball into South Milwaukee and will bring its expertise in organizing leagues with the motto, "Have Fun, Meet People, Play Sports." The courts will include two-, four- and six-person men's, women's and co-ed leagues starting June 1. As many as 18 courts are planned, and they'll be available for general public use when not used by leagues or tournaments.

Find more details on the volleyball here <http://www.csmilwaukee.com/page/Leagues>

League registration is currently open for teams looking to play on Thursdays and Sundays.

See you there! The business should be running from Memorial Day to Labor Day, weather permitting.

More exciting news:

Repavement of the entire length of the Oak Leaf Trail in the park is slated to start this year.

The Traveling Beer Garden is appearing at Grant Park's Brown Pavilion (Picnic Area 5-6) June 16-28.

There's a new rain garden near the beach, new trees throughout the park and bluff stabilization work.

**SOUTH MILWAUKEE MIDDLE SCHOOL
2015 ANNUAL NATIVE PLANT SALE
(& GARDEN VEGETABLE PLANTS, TOO!)**

**Saturday, May 9th
9 a.m. - 12 Noon**

By the front doors of South Milwaukee Middle School - 1001 15th Ave.

Are your thoughts turning to summer? Are you dreaming of your garden this year? If so, you may want to consider using landscaping plants that are:

- attractive and interesting
- hardy, needing very low maintenance
- able to thrive in a wide range of soil/sun conditions
- native to Wisconsin
- perennial (no replanting every year!)

Look no further! On **Saturday, May 9th, 9 a.m. - Noon**, the SMMS Environmental Club will hold our 2015 Annual Native Plant Sale. We'll be selling a wide variety of beautiful native flowering plants, garden vegetables and herbs. This year's species include: Sand Coreopsis, Turtlehead, Common Boneset, Prairie Sunflower, Blue Flag Iris, Marsh Blazing Star, Winged Loosestrife, Hairy Beardtongue, Wild Petunia, Prairie Dock, Silky Aster, Purple Meadow Rue and a huge assortment of tomatoes, peppers and herbs.

Just in time for Mother's Day, these plants would make wonderful gifts! In 2 ½-inch pots, prices start at \$1 per plant, well below garden center prices with proceeds going to support our own SMMS Environmental Club. For more detailed plant information check out our Species Info Chart on the district website: www.sdsm.k12.wi.us.

Pre-sale orders are accepted, but not necessary--contact Chris Bosetti at 766-5890.

GREEN SAILS IRISH FOLK MUSIC AND SONG

Inspired by the winds of Lake Michigan, Green Sails sets an entertaining course of rousing tunes and delightful melodies. Band members include guitarist Sandy Weisto, a talented folk singer, well known for her "behind the scenes" work at The Coffee House and the Miramar Theatre; Bonnee Beth who plays percussion, dances, sings and adds a bit of southern silliness; and fiddler Amy Otis-Wilborn who fell into old time music in Kansas, continued with country and western in Texas and found her Irish roots in Milwaukee. Our name—Green Sails—denotes "Green" for Irish music and for ecology sustainability and "Sails" for sailing. We are musicians and sailors.

Green Sails sets a delightful course of rousing tunes and sensuous melodies fueled by Amy's Irish fiddle, Bonnee Beth's percussion and Sandy's guitar and vocals. We play; we sing; we dance; we spin yarns.

See Green Sails at:
